Admittedly, he is different from what he seems. At times, he's a lost sheep.

1. **Explain the importance of the following factors in the development of a country's economy:**  
 a. **Human Resources:** The quality and quantity of the labor force, including education, skills, and health, are crucial for economic growth. A well-educated and healthy workforce can drive innovation and productivity.  
 b. **Capital Resources:** The availability of financial resources for investment in infrastructure, technology, and human capital is essential for economic development. Access to capital markets and foreign investment can provide the necessary funds.  
 c. **Technology:** Technological innovation and adoption are key drivers of economic growth. Investment in research and development, as well as the diffusion of technology, can lead to higher productivity and new industries.  
 d. **Infrastructure:** A well-developed infrastructure, including roads, ports, and communication networks, is vital for trade, commerce, and the efficient movement of goods and services.  
 e. **Government Policy:** Sound economic policies, including trade liberalization, privatization, and investment incentives, can create a favorable environment for economic growth and development.

That  
time

It was  
like  
someone  
was  
calling  
my  
name

Tip  
Tip

I couldn't tell  
whether it was  
real or a dream  
  
apart  
from  
dreams,  
almost  
no one's  
called  
me that

all I  
have  
to do  
is  
remember  
her

to un-  
forget-  
ting

Then  
I can  
don't  
nearly  
forget

don't just say  
"the question's too  
hard" then fill  
in whatever

ahh...

if  
this  
was  
an  
exam

I'm  
sorry

about  
yesterday

if you were to  
get angry at me  
like this  
yesterday,  
that'd be good

doki

doki

I already  
said it  
was ok.

Hurry up  
and finish  
what you're  
trying to  
say. .

why—  
his eye  
looks  
are so  
long

towards  
Merida now

When I look at him like this,  
he's so much different from  
what I remember of our first  
meeting

eh?

L...  
what was I  
trying to say?

the  
name  
of  
that  
flower

I  
still  
don't  
know
